

Board of Directors Meeting

4pm, May 25, 2021

AGENDA

Zoom link: https://zoom.us/j/91086172093?pwd=RWhZQmhEYWo0WUIxWVI4MFk0V0REZz09

- A. What's Coastal Mountains Land Trust got going on right now?
- B. Board Learning Session: Trails, Trails, and Trails Land Trust staff
- C. Land Trust History: "Facilitated" Land Projects
- D. Land Trust History: Upper Ducktrap River Preserve Projects, Lincolnville & Belmont
- E. <u>Board Focus on Development:</u> Recent Success Stories

Donor Profiles

F. Action Items:

- **1. Proposed Board Motion:** To approve minutes from the April 27, 2020 monthly meeting of the Board, (see *pg*. 3)
- 2. Proposed Board Motion: Approval of LaCombe transfer (see pg. 8)

The Board of Directors approves the sale of a 3.21-acre property, currently owned by Coastal Mountains Land Trust and formerly owned by Bryan Lacombe, in Lincolnville, to the Maine Department of Inland Fisheries and Wildlife for \$13,000, and in addition a \$3,137.35 reimbursement of the Land Trust's acquisition expenses. The Board hereby authorizes its President, or in her absence another officer of the Board of Directors, to execute all documents necessary to close on this sale. In addition, the Board of Directors approves the allocation of funds at the closing of the acquisition, or as soon thereafter as funds are available, to the Stewardship TRF as described in the policies of the Land Trust.

- **3. Board Focus on Development:** New Property buyers program outreach
- **4. Board Focus on Recruitment**: Brainstorm of Names of Committee/Board Candidates (see pg. 11)

Update/Discussion of Student Board Members (see pg. 12)

- 5. Board Focus on Office Building Addition Design: Input/Question regarding Building Plans
- G. Priorities We're Working On Executive Director report
 - a. Community Engagement Coordinator Position Hiring Process Update
 - b. Land Protection Updates
 - c. Round the Mountain trail work & permitting
 - d. Building Committee updates: Foundation & Building Plans

e. Annual Audit – FY2020-21 Financial Statements

H. Committee Updates

- 2. Major Gifts Committee (minutes, pg. 15)
- 3. Membership & Marketing Committee (minutes, pg. 16)
- 4. Finance and Investment Committee (minutes at 4pm, pg. 18)
- 5. Land Protection Committee (minutes, pg. 27)
- **6. Stewardship Committee** (*minutes*, *pg*. 29)
- 7. Building Committee (minutes, pg. 31)
- 8. Board Advancement Committee (minutes, pg. 32)
- **9. Executive Committee** (minutes, pg. 34)

I. New/Future Business

J. Executive Session:

Upcoming Committees / Board Meetings:

Friday, May 28th 9:30am: Building Committee

TBD, June 7th or 12th 12 noon: Membership & Marketing Committee

Tues., June 8th 1:15pm Stewardship Committee

4:00pm Executive Committee

Weds., June 9th 2pm Major Gifts Committee

3:30pm Land Protection Committee

Weds, June 16th 1:00pm Finance Committee

2:30pm Board Advancement Committee

4pm: DEI Workgroup meeting

Tuesday, June 22nd 4pm Board Meeting

Thurs, July 29th Conservation Partners Party

Tues., Sept. 28th Annual Meeting

Minutes Coastal Mountains Land Trust Board of Directors Meeting April 27, 2021

Board members present: Wallingford, President; Call, Collins, Conard, Gabel, Johnson, McLaughlin Pike, Moore, Noble, Rittmaster, Ruffin, Thanhauser, Urey, White, Wolfe Staff present: Stewart, Gates, O'Neill, Rogers, Shaida

The virtual meeting came to order at 4:04 p.m. A quorum was present throughout.

A. What's Coastal Mountains Land Trust Got Going On Right Now?

The Bresnahan land donation, 100 acres at the foot of Ragged Mountain, closed this week. Three members of the local mountain biking community attended.

Stewart saw a moose cow and calf recently on the RTM trail.

B. Board Learning Session: Summary of Year-End Financials/Pie Charts - Malcolm White

Treasurer White gave a summary of year-end financials, including donations, grants and transfers.

C. Land Trust History: Newman Preserve and Greenlaw Farm Conservation Easement (MFT)

The Newman Preserve, ~52 acres off Route 52 in Northport, was donated to the Land Trust in 1998. Greenlaw Farm is a 500 - 600 ac. working farm owned by John Piotti, protected by a conservation easement held by Maine Farmland Trust, of which Piotti is a former director. Piotti may be interested in being a conservation buyer of some of the land between Greenlaw Farm and the Conard/Randall property in Northport. The intervening land includes a lot of wetland, and might be a candidate for funding through the North American Wetlands program (NAWCA). The Conard/Randall property is in the process of being donated to the Land Trust (see Item F. 4 below).

Stewart said the Land Trust has \$100,000 in funding. We might be able to use it for the Bloomstein project (Item F. 5 below).

D. Land Trust History: Passagassawakeag Headwaters/ Passy Lakes Focus Area

The Kyle Bloomstein property is 100 acres of land off Route 137 in Knox, located in the Passy Headwaters Area of Interest, adjacent to the Passy Headwaters Focus Area. Owning the Bloomstein land would potentially link the Bessey land, which many Board members have visited, with the Frye Mountain area, a 5,000-acre conservation area. [See F. 5 below, Board vote to purchase Bloomstein parcel.] We are thinking about how to continue a conversation with Bessey.

E. Board Focus on Development: Open Sharing of Success Stories and Member/Donor Profiles

Stewart reported that we have submitted two grant applications for support of community engagement, through the Bangor Savings Foundation and the Nellie Leaman Taft Foundation. We plan a new staff position in community engagement. We received \$15,000 from the Onion Foundation for this type of work; we are in the second of three years of funding from Onion. The Onion Foundation is a charity of Fritz and Susan Onion, who give money to land trusts for community engagement work. They have also given money to a local nonprofit mountain biking organization to help fund trails.

We got an invitation from the Anonymous Foundation to apply for an additional \$50,000 for the Round the Mountain project. We will learn more about that this week.

Stewart mentioned names of several donors who have given in the last month. Jane Carmell and Ken Donoghue, who have been CMLT members for years, recently became Evergreen members. About half the new Land Trust members this month come from the new property buyers program. People who buy property in our service region are given a year's free membership in the Land Trust, after which we encourage them to join as regular members. Dan and Cindy Edelman had been Conservation Partners, then stopped donating; they recently renewed as Conservation Partners. Alvin Chase, Board president at Georges River Land Trust, has donated a used mini-truck for use on the Round the Mountain Trail. It can carry gravel, but does not have a dump capability, although this could be added. The mini-truck has yet to be named. "Alvin" and "Chase" are two possibilities, named in honor of the donor. Collins suggested calling it "Tuck", after Mt. Tuck.

Scott Hoyt, who serves on the Land Protection Committee, has become a member of the Megunticook Society. Rick and Ann Bresnahan have donated land in Camden, which makes them members of the Megunticook Society. New Business Members include Viking Lumber and Front Street Shipyard.

F. Action Items

F 1. Approval of Minutes of March 23, 2021 Board Meeting

On motion of Noble/White, the minutes of the March 23 Board meeting were unanimously approved as distributed.

F 2. Approval of Public Issues Review Committee (PIRC) – Gabel

PIRC is proposed as a new ad hoc committee whose purpose is to consider whether the Land Trust should take an advocacy position, on an ad hoc basis, either for or against some proposed issue, action or bill, or decide to take no official position. The committee would make a recommendation to the Board of Directors, for final decision by the Board. Gabel said that to date the Land Trust has turned down one request to take an advocacy position; another request is pending. If the PIRC is approved by the Board, Land Protection Program Director Rogers will make a presentation to the committee about the issue of Wabenaki tribal sovereignty.

<u>Discussion</u>: Conard asked whether a change to the Bylaws would be needed in order to create the PIRC and initiate the proposed review process. Stewart said that creating this proposed new committee would not require changing the Bylaws, but only a change to the public policy process. Wallingford said that the Bylaws allow the Board to create committees as needed.

McLaughlin Pike asked whether staff members would get to review requests for the Land Trust to take a public position. She thinks it is important to get staff input. The committee's job description should include a statement that staff input is of great importance. Gabel said that two staff members are proposed to be members of the committee: Executive Director Stewart and Stewardship and Land Protection Manager Shaida. They could provide input from other staff members if desired. The full Board will make the final decision. Urey asked whether the PIRC must be unanimous in order to forward a recommendation to the full Board. Gabel thought that a majority of the PIRC membership would suffice to forward a recommendation to the Board. Moore asked whether the group would ever consider financially supporting an issue, e.g., contributing money to further a cause. Gabel said this would have to be considered on a case-by-case basis.

VOTE: On motion of Noble/Conard, Board members voted unanimously to <u>approve the creation of an ad hoc Public Issues Review Committee to review and bring forth public issues for consideration by the Board of Directors.</u>

F 3. Approval of Proposed Board Policy Revisions (p. 17-20 in Board packets for today's meeting)

Land Protection Program Director Rogers described proposed changes to Land Protection policies 11.4 and 11.4a, as set forth in the revised documents included in Board packets for today's meeting. (Proposed revised wording is given below.)

Policy 11.4 Conservation Planning and Project Prioritization

The Land Trust will maintain a conservation plan that determines land protection priorities for the service region, utilizing the most comprehensive array of natural, scenic, and outdoor recreation resource data available. Prior to every strategic plan, the Land Protection Committee will review the conservation plan and current conditions and make recommendations to the Board for Focus Areas, Areas of Interest, and Lands of High Community Value to prioritize in the land protection program.

Policy 11.4a Conservation in Focus Areas, Interest Areas, and of Lands of High Community Value

Parcels in Focus Areas will be the primary subjects of proactive outreach to landowners to encourage conservation of their parcels. Conservation options in Focus Areas include purchase, bargain sale, and donation of fee title or conservation easements and hence will require capital campaigns to fund land protection projects. Parcels in Interest Areas are secondary subjects of proactive outreach to landowners to encourage conservation of their parcel. The primary conservation options in Interest Areas are donations of land or conservation easements, using grants as

available and not competing with higher priority Focus Area projects. Parcels with high community values will also be a focus of proactive outreach, and fundraising through capital campaigns, Board allocations, and grants. Such projects will be given similar weight to Focus Area projects.

Board members had no questions or comments about the proposed wording. VOTE: On motion of Collins/Thanhauser, Board members voted unanimously to <u>accept the proposed changes to Board policies 11.4 and 11.4a</u>.

F 4. Approval of Conard/Randall Donation, Northport (p. 21-26 in Board packets for today's meeting)

The Conard/Randall property donation is approximately 19 acres on Piper Stream off Piper Stream Road in Northport, proposed to be donated by Susan Conard and David Randall as Trustees of the David C. Randall Living Trust. The owners are retaining about 28 acres of adjacent land. The Land Trust proposes to put in a parking lot and trails on the donated land. The owners will donate \$21,000, which includes money for future stewardship of the donated land.

VOTE: On motion of Rittmaster, Board members voted unanimously to approve accepting the donation of approximately 19 acres of land on Piper Stream, off Piper Stream Road in Northport, from Susan Conard and David Randall, as Trustees of the David C. Randall Living Trust. The Board authorizes the President, or in her absence another officer of the Board of Directors, to execute all documents necessary to accept the donation. In addition, while it is anticipated that Conard and Randall will make a donation to cover the full expenses of the project, the Board of Directors approves all expenditures necessary to prepare for receipt of the donation and the allocation of money at closing of the acquisition, or as soon thereafter as funds are available, to the Conservation Lands Defense Temporarily Restricted Fund and the Land Trust Stewardship Reserve Temporarily Restricted Fund as described in the Policies of the Board of Directors. The estimated total cost of all such financial allocations will be no more than \$22,112.

F 5. Approval of Bloomstein Purchase, Town of Knox (p. 27 in Board packets)

Rogers described the property and adjacent land. The parcel to be purchased is 73.6 acres located off Rte 137 in Knox, northwest of Belfast. It is currently for sale for \$100,000, but not yet listed. We have \$100,000 available from a North American Wetlands Conservation Act (NAWCA) grant. The property to be conserved consists of this parcel and two adjacent donated parcels to the north, for a total of ~100 acres. The location is in the Marsh River headwaters, an area within the Passy Headwaters Area of Interest, adjacent to the Passy Headwaters Focus Area. The land includes a significant wetland complex and a small pond. This would be our first project in the town of Knox. Estimated total project costs include: land, \$100,000, contingent upon appraisal; an estimated \$8,000 for survey, appraisal, and legal expenses; and stewardship costs of \$12,952.50. Funding source: \$100,000 from NAWCA, plus funds from other sources, including possible other grants. A small parking lot would need to be installed off Rt. 137, and a gate to block off a woods road. Public benefits: protects an area for public recreation, protects important wildlife habitat, protects a scenic area. A lot of money is available just now for wetland conservation.

VOTE: On motion of McLaughlinPike/Collins,Board members voted unanimously to approve the fee acquisition of a 100-acre property located off Route 137 in Knox, Maine, owned by Kyle Bloomstein, with funds to be raised through a grant from the North American Wetland Conservation Act (NAWCA) grant program. The Board hereby authorizes its President, or in her absence another officer of the Board of Directors, to execute all documents necessary to enter into a purchase and sale agreement, contingent on funding availability and appraisal that confirms the purchase price is equal to or less than the market value of the property. In addition, the Board of Directors approves the allocation of funds for the stewardship of the property at the closing of the acquisition, or as soon thereafter as funds are available. The estimated total cost of all such financial allocations will be no more than \$21,000 to cover survey, legal, and appraisal expenses, and to set aside money for future stewardship.

6. Approval of Amended and Restated Conservation Easement on Penobscot Park, Lincolnville

On motion of Call/Collins, Board members voted unanimously to <u>approve the amended and restated Penobscot Park Conservation Easement in Lincolnville for the purpose of securing public access to the property in perpetuity. Coastal Mountains Land Trust has held said conservation easement, recorded at the Waldo County Registry of Deeds in Book 2011 Page 225, since 2000, which protects shorefront on Penobscot Bay to ensure the property remains relatively undeveloped and available for outdoor recreation. As part of the transfer of the Penobscot Park property to the Town of Lincolnville, the purpose of this amended and restated conservation easement is to protect public access to the property and clarify municipal ownership.</u>

As per our conservation easement amendment policy, this proposed amendment would result in clear gain to the conservation values of the property.

G. Priorities We're Working On – President and Executive Director

a. Development and Communications Coordinator Hiring Update

Ben Theyerl has been hired as Development and Communications Coordinator, to start work on June 7. He is in his mid-20s, a graduate of Colby College with a major in environmental studies. He is from Wisconsin, but has relatives in Waterville. Suggestions for housing would be welcome.

b. Community Engagement Coordinator Position Hiring Process Update

We are reviewing candidates, and hope to fill this position by mid- to late June.

c. Updating Personnel Handbook

Wallingford and Call have been working on updating the Personnel Handbook.

d. Status of Campaigns

We aim to raise \$200,000 for the Round the Mountain campaign, \$20,000 for Beech Hill, and \$75,000 for Mt. Tuck, for a total of \$295,000 to be raised over five or six weeks this spring. The project with the Water Company is moving forward nicely. It involves the Public Utilities Commission and Water Company shareholders, and might result in return of half the purchase price. On Mt. Tuck, we hope to hear about our Land Heritage grant next week.

e. <u>Building Committee Updates: Foundation and Building Plans</u>

Stewart showed Meg Barclay's architectural drawings of additional space at the Camden office. An addition at the east end of the building will provide 15 desk spaces. For now, the conference room will be used for additional staff work space. Kathy Young's former office will become two offices. Polly Jones's present space will become a waiting room. The deck has been removed. Soil samples have been taken to try to diagnose the cause of settling issues. They found burned material and debris at 8' - 12' across the whole site, and bedrock at 15' - 18' below grade. If we had gone a little deeper with the original foundation, the settling problems might have been avoided.

Air circulation and ventilation will be important. There is an existing air exchange system in the basement. Three new heat pumps offer a possibility for humidification, if not air conditioning in summer. Barclay says that HVAC is not her expertise, so we may use a consultant.

White is looking into fundraising options for the building expansion. We may try to raise half the cost and borrow the rest. We also need to start contacting contractors to do the work next year.

f. Website Development

A volunteer is doing a pro-bono rebuild of our website: a simple design, offering a quicker way to get to the most frequently used sites.

H. Committee Updates

<u>Major Gifts Committee</u> (minutes, p. 61): A Planned Giving workshop series will be offered on Thursdays for the next seven weeks. If any Board member wants to participate remotely, Stewart has details. We assume that the sessions are being recorded and will be available for viewing later.

Membership and Marketing (minutes, p. 63): Membership is going very well. Urey had nothing new to add to the minutes in Board packets.

<u>Finance Committee</u>: The committee met yesterday and went over some of the material in the pie charts that White showed at the start of today's Board meeting. All the numbers look good. The annual audit will be done next week. We should have financials by late May or June.

Minutes, CMLT Bd. of Directors Mtg. 4/27/21, p. 5

Land Protection Committee (minutes, p. 73): Rogers is being kept busy, a good sign.

Stewardship Committee (minutes, p. 76): There were no questions or comments.

<u>Building Committee</u>: See update and discussion in Item G e. above (p. 4).

Board Advancement Committee: The group met today and spent several hours discussing Board recruitment. We have about 10 likely nominees. Between now and 2024, eight present Board members will be term-limited off the Board, including Collins and McLaughlin Pike, who must leave the Board this year after serving for nine years. Our goal is to maintain the Board at 15 members. A group of members from Belfast and the Waldo County area will meet to brainstorm new Board prospects from that area. Emily McDevitt has been approached about joining the Board; she wants to delay appointment until this summer on account of family obligations. Rittmaster suggested an active trails volunteer as a prospective Board candidate.

Executive Committee (minutes, p. 79): There were no questions or comments.

I. New/Future Business

Stewart said the current thinking is to continue to hold Board meetings remotely via Zoom. An outdoors in-person meeting in summer might be feasible. Moore suggested meeting at Beech Nut. The Board might also meet at a location in Belfast. The present Board meeting room will be used for work space for new staff members, until the building addition is available.

Next Regular Board meeting: Tuesday, May 25, 4:00 p.m.

The meeting was adjourned at 5:34 p.m., followed by an executive session.

Respectfully submitted,

Susan S. R. Alexander Recording Secretary

Coastal Mountains Land Trust

Conservation Project Information

Project Name: Lacombe Property, Ducktrap River Focus Area

Transaction type: Sale of land to Maine Department of Inland Fisheries and Wildlife Current Property Owner: Coastal Mountains Land Trust, acquired from Bryan Lacombe in 2018.

Location: off the Pit Road, Lincolnville

Size: 3.21 Acres

Project Description: The Lacombe parcel is an inholding surrounded by land owned by the Maine Department of Inland Fisheries and Wildlife (IF&W). That property is ca. 70 acres and was transferred from the Land Trust in 1999 as part of the Ducktrap River Focus Area work with the Ducktrap Coalition. The IF&W property was originally owned by Bryan Lacombe as well, and he retained this ca 3-acre property for a potential hunting or fishing camp. He decided not to build a camp and decided to conserve it as well by selling it to the Land Trust, anticipating that the Land Trust could sell or transfer the property to IF&W when the state is in a position to acquire it.

- 1. Conservation Values and Public Benefits, including Internal Revenue Service factors defining "significant public benefit": The fee title acquisition will permanently protect the natural, scenic, ecological, and public access resources of this portion of the Ducktrap River.
- 2. Conservation Documents Summary: Deed from Coastal Mountains Land Trust to the Maine Department of Inland Fisheries and Wildlife

4. Estimated Closing Income: Property sale price \$13,000 Expense reimbursement \$3,137.35 Total \$14,137.35

5. Land Preservation Committee Recommendation: sell the property to Maine Department of Inland Fisheries and Wildlife at the proposed price.

Conflict of Interest

Member(s) of the Land Protection Committee and/or the Board of Directors must absent themselves from deliberations and any votes concerning this project if so required by the Land Trust's Conflict of Interest Policy. Each such member should consider any potential conflict of interest they may have concerning this project, as described in the Policies of the Board of Directors. Should such a conflict occur, the affected member should absent themselves prior to the discussion of this project at any Committee or Board of Directors' meeting; the minutes of any meetings that include consideration of this project must note all declared conflicts of interest, the name of the individual(s) concerned, and the absenting of those individuals from the consideration.

Mission Statement

We permanently conserve land to benefit the natural and human communities of western Penobscot Bay.

We accomplish our mission by:

Working proactively and cooperatively with land owners to establish a system of conservation lands that feature: - habitat supporting biological diversity; - water resources, including rivers, lakes, wetlands, aquifers, and the bay; - farms and forests managed for sustained productivity; and - scenic landscapes essential to our sense of place. •

Sustaining the natural and historic values of our conservation lands through a strong stewardship program based on monitoring, management, restoration, and enforcement.

Providing opportunities for the public to access and explore natural places.

Promoting public awareness of and support for land conservation through a broad outreach effort.

Collaborating with towns, agencies, and other organizations to protect resources that meet exceptional needs in the communities we serve.

Engaging volunteers to help implement our conservation work.

Student Board Member

Coastal Mountains Land Trust is looking for high school students to serve as a **member** on our Board of Directors representing their peers and their community in the furthering of our mission.

Ian to add - Description of role and responsibilities

STUDENT BOARD CANDIDATE QUESTIONNAIRE

1. Why do you wish to be a student representative on the CMLT Board of Directors?
2. If selected, how do you feel you could contribute to the success of Coastal Mountains Land Trust?
3. Are you willing to give time, energy and resources to support the mission of Coastal Mountains Land Trust?
4. Members stay connected to CMLT by meeting attendance, committee work, membership events, e-mail and other communications. Do you have the time and resources to be an active Member of the CMLT Board?
5. What does leadership mean to you?
6. Anything else you think we should know about you, or information about you that wasn't asked in the above questions?
Please complete the following before submitting your application. 1. A short essay (no more than 2 pages, double spaced) on a subject that you feel would be of interest to
the Land Trust 2. A list of your extra curricular activities and your current academic interests including any specific comments on your interests or experiences related to public/community service.

3. A statement from your school counselor that you are a student in good standing.

- 5. A signed Parental Support Statement.
- 6. A signed School Support Agreement.

Please submit a letter of recommendation with your application from a teacher, administrator, coach, or other professional adult you work or volunteer with. Please feel free to either mail, fax or email your completed application to the contact listed on Page 1

I/We agree that our son/daughter if selected as a member to the Coastal Mountains Land Trust Board of

Coastal Mountains Land Trust Student Membership Parental Support Statement

Directors has my/our permission and support to serve as the Board member with full privileges and responsibilities of membership, excepting the vote. I/We also agree that we are willing to provide any transportation to Board meetings as well as other necessary Board events.

Signed by: ______ Parent / Guardian

Print Name: ______

Date: ______ (student name) is a student in good standing and if they are selected to the Coastal Mountains Board of Directors that he/she has my permission and support to participate in this extended educational opportunity.

Signed by: ______ Principal

Print Name: ______ Principal

Submit this application by email to info@coastalmountains.org or by mail to

101 Mount Battie Street, Camden, Maine 04843

Major Gifts Committee meeting (zoom) Monday May 17 12:30 EDT

Zoom link information https://zoom.us/j/96598225581

Attending: Tom Moore, Ian Stewart, Judy Wallingford, Courtney Collins, Nick Ruffin, Lys Pike

- 1. Hiring Update: status on new hires.
- 2. <u>Major gifts/grants update</u>: update on new major gifts/grants since last meeting received or pending
- 3. <u>Prospect Research</u>: Review attached lists to **identify names for outreach**, invitation to hikes, face to face or telephone visits all with the intent to see if they are willing to "up their game" In general, or in specific support of open campaigns.
 - a) new prospects
 - b) other members who have shown long term support
 - c) other lists
 - d) existing partners
- 4. <u>Cultivation</u>: Discuss any planned visits/hikes between now and end of June.
- 5. <u>Board Training</u>: Board fundraising training, specifically to support item 3 &4
- 6. Review discussion with Phil Conkling and possibly Bob Demont, regarding consultancy for a development process. Start formulating a goal in this regard, and next steps.
- 7. <u>Planned Giving</u>: Review current **planned giving data**, and the next step for advancing the subject. Do we agree that we should be developing a campaign plan to propose to the board?

Consider: forming a sub-group involving several non-board members Getting a planned giving testimonial in our next newsletter.

8. Any old business?

Membership & Marketing Committee Meeting May 10, 2021, 12:00 – 1:30 pm ZOOM

https://zoom.us/j/97233506943

Attendance: Ian, Polly, Jack, Emily, Roger, Elisabeth, Darby

MEMBERSHIP DISCUSSION

- 1. Membership Case Statement Discussion
 - Follow-up / summary of new member calls
 Unfortunately no one was able to connect with new members. Emily sent follow up
 emails and will update with any responses. We discussed sending a postcard to new
 members for a one or two sentence statement as to the reason they donated / joined.
 This launched the continuing discussion of whether we should automatically
 provide membership for someone who hasn't elected to be a member or if we should
 have an "opt in" option instead. Jack spoke anecdotally of one new member he
 bumped in to who was confused as to why their one time donation made them into a
 "member." No final consensus was reached on whether donors / volunteers should
 be automatically members with option to "opt out" or no members until they
 affirmatively "opt in." Currently, one would need to "opt out" of membership and
 we do not have a simple way for doing that. Perhaps a postcard to a new
 donor/volunteer with an "opt out" box would be appropriate. This will be a topic
 for future meetings.

COMMUNITY ENGAGEMENT DISCUSSION:

2. Call for summer newsletter outings, adventures, things to do list

With the summer newsletter, we intend to include a solid list of ways for people to get involved and get outside with the Land Trust this summer... ranging from volunteer opportunities, to organized events, to self-guided explorations. Committee members brought ideas about the best things to suggest for our members to consider doing this summer. (Elisabeth's 'Feets and Eats' is a perfect example of the type of thing we'd like to include). Suggestions included; swimming holes—St. Clair, Fernald's Neck, Knight Pond, Breslin on Pitcher Pond; Picnic spots, canoe launches, hikes, bike rides (with new Bresnehan parcel), publicize the Hike the Guide

- 3. Summer Events check in / discussion
 - Arts on the Hill events committee suggestions for August event/band?

Elisabeth has a possible lead on a Swedish band named "Frigg;"

Currently, we have Mojo Jazz and Bottomless Funk signed up. Discussion of having fiddle camp and HS Band performers as well.

- Trails Challenge

Timeline: August – October; committee likes moving forward with this. Suggestion of prize for covering all the trails.

Prizes – suggestions from committee; backpack?

Business sponsors – suggestions from committee; Maine Sport, SCS, CG Bikes, prior sponsors.

4. Overview Community Engagement Job Description (Attached)

Provided substantive and grammatical feedback. Also suggested posting to school resource offices, MLTN, some names came up that will be shared with Ian who would fit the job well.

5. Branding: "Round the Mountain Trail" - RTM or RMT – hashtags are part of TROMM branding, among other groups. Most are simple – Beech Hill, Coastal Mountains Land Trust, but Round the Mountain Trail needs to be defined and clarified. Round the Mountain ME is most consistent...needs some specificity so it doesn't tag a New Zealand trail, for example. Needs to be standardized. Also, create locations in Instagram. GRLT does this very well and Ian will try to touch base with them about how they accomplish it.

MINUTES

Invited: Malcolm White (Treasurer), Roy Call, Landis Gabel, Tom Moore, Judy Wallingford, Malcolm White, Jay Freedman, Brad Hennemuth, Dan Johnson, Polly Jones and Ian Stewart.

Discussion Items

- 1. Committee update: Tom Moore is stepping down from the committee
- 2. Update on 2020-21 Financial Audit

Audit went extremely smoothly. Expecting FY20-21 financial statements by the end of the week

3. Discussion of Annual Financial Report for Newsletter

Committee provided some input into the types of reports to create for the newsletter. Ian and Malcolm will work together to finalize simple transparent graphics to share.

4. Review of Monthly Financial Reports

Roy asked about annual insurance premium – explained by overpayment of HAS for three employees in past fiscal year. Ian reports that we are now expecting to come significantly under budget on the unemployment compensation line.

5. Review of CMLT Investments

Brad raised some questions about the amount of cash Trillium is caring in our funds. Additionally the committee asked about Trillium's approach to bond. Malcolm is going to open a communication with Sada at Trillium to get some clarification.

6. Status of Capital Campaigns

\$50,000 gift received for Round the Mountain this week!

\$15,000 grant received from Maine Outdoor Heritage Fund for Mt Tuck.

Coastal Mountains Land Trust

Land Protection Committee Minutes May 12, 2021

Members Present: (at a video conference meeting due to the pandemic) Heather Rogers (chair), Ian Stewart, Roger Rittmaster, Malcolm White, Sadie Lloyd Mudge, Ryan Gates, Courtney Collins, Lys Pike, David Noble, Jack Shaida, David Thanhauser, Judy Wallingford,

Members Absent: Scott Hoyt, Margo Davis, Jim Krosschell, Ryan O'Neill

Active Projects

Camden, Rockport, Lincolnville & Hope Area

Town of Lincolnville Property swap, Lincolnville

• This project should close very soon. All the documents are complete and ready to sign.

Slab City Conservation Co. LLC, Lincolnville

• Three families own this ca. 58-acre parcel that abuts the Land Trust's Crawford Tract of the Ducktrap River Preserve. Two families are interested and ready to donate their share to the Land Trust now. One family is considering donating a life estate on their portion to retain the right to build and maintain trails and public access. One of the families is Landis Gabel, a Land Trust Board member, and his wife Dominique.

Lacombe Tract, Lincolnville

- This 3-acre tract was acquired by the Land Trust in 2018, with the intention of transferring the property to the Maine Department of Inland Fisheries and Wildlife eventually. The state is ready to move forward with the purchase. IFW will pay the price we paid for the property and reimburse all of our expenses.
- The Committee recommended that the Board to proceed with sale of this property to MDIFW.

Longfellow Property, Hope

- This 30-acre property on Bald Mountain was just listed for sale for an asking price of \$295,000. Heather has been in touch with the realtor to express our interest and need for an appraisal.
- The Committee is going to plan a site visit to this property in the next week.

Belfast, Belmont, Northport, Swanville Area

Stephenson/ Four Seasons Rec Area Connector trail – 23 Waterville Rd.

- Jack walked with one of the co-owners and they agreed on a trail route. It is quite low down
 near the road. The owner is concerned about a higher trail being visible from the house lots of
 his subdivision.
- The Committee is going to plan a site visit to this property in the next week.

Conard/Randall Property, Northport

■ This project closed on April 29th.

Welsh Property, Swanville

 This landowner owns about 150 acres on Toddy Pond and is interested in donating land to the Land Trust.

Searsport, Stockton Springs, Prospect

Babb Property, Searsport

- The Purchase and Sale Agreement has been signed, closing by July 1.
- The survey and title work are underway.

Haas Property

This project is closing this week, as soon as deeds are returned to our attorney!

Smith Property

- Draft of the survey was just sent in. It shows a parcel with dead title to the west of the Smith's Prospect property.
- We received a \$15,000 grant from MOHF for the purchase of this project. We still need to raise more money before closing.

Waldo, Morrill, Knox & Brooks Area

Wagner/Bloomstein/Smith, Knox

- The landowner has the Purchase and Sale Agreement in hand and has already reviewed it with his attorney. We are just awaiting his signature.
- We have begun the process of substituting this parcel for Greenlaw with the NAWCA grant.
- An appraiser is going to start work soon.

Agnew, Knox

- The landowner has agreed to co-commission an appraisal with the Land Trust.
- Roger Rittmaster and Gary Gulezian have spent two days documenting the exceptional habitat values on the property, which will be important for our MNRCP grant application.

Projects with potential or possible perceived conflicts of interest with Committee Members

Coastal Mountains Land Trust

Stewardship Committee Updates

Meeting April 6th, 2021 at 1:15PM on Zoom

Updates March-April

Organization:

- We are hiring a Development and Communications coordinator who will take over much of the development work at the Land Trust. We just finished interviews with some promising candidates and hope to make sometime this month. Waldo County:
- We hired our summer interns last month. Dillon Mulhern will be our Pendleton intern, working in Waldo County and Anthony Romano will be the MCHT intern working in Knox County.
- We acquired a new easement, the Sturrup Shelley CE in Belmont last month. It protects 89 acres on the headwaters of the Ducktrap River on Tilden Pond.
- We aquired the Bresnahan property on Ragged Mountain this morning. This project has been in the works for years but was held up due to some legal issues. The property has many mountain biking trails on it that are managed by MCNEMBA. Ryans are working with MCNEMBA to make a management plan for these trails and improve the area. Rick B has made a substantial donation to the stewardship funding but asked that MCNEMBA, SIDECOUNTRY and COASTAL MOUNTAINS cover the remaining balance.

Round the Mountain Trail

- The trail was closed for two weeks to allow for it to dry out during mud season. It was reopened on Friday 4/9. Overall, it held up well. Ryan O and the southern work crew fixed most problem areas, raking bumpy spots and clearing water bars. 95% of the trail looks good. The remaining 5% are small problem areas that won't be damaged further by use and will be fixed by Jed this summer both under warranty and cost + .
- Still on the hunt for the perfect mini truck but Alvin Chase of Eastern Tire has offered the gift of a mini truck that doesn't dump. Ryan G and he have been in communication on what that would look like. Alvin is also the Board Chair at Georges River Land Trust.

Waldo County

- Things continue to be quite in Waldo county. The northern work crew Is still working on boundaries.
- Jack has had good recruitment of new preserve stewards this month.
- A neighbor of the Ducktrap recently did some logging next to the Hopson Tract of the Preserves. They rutted out the road on a right of way over the Hopson Tract and are working with State forest rangers to resolve that and other issues. There is no erosion to the river and no damage to the preserve aside from the surface of the right of way. This was done by two young men due to lack of experience. We don't anticipate this being a continuing issue.

Knox County

- We are signing a contract with Erin Amadon to build the Beech Hill Extension Trail. She will do the project in the month of June. Ryan O will be managing the build.
- RTM is back open, and people are excited. Both work crews were out there raking and doing a bunch of hand work. Trail over wintered quite well. Gravel surfacing is really in decent shape and there was minimal movement.
- Brown Tail Moth

Agenda.

1. Annual Plan Review: review the annual plan and come prepared for specific questions or comments. Think about any projects that you as a committee member would like to take part in.

CMLT Building Committee Minutes Friday, May 21, 2021, 3:00 PM

Attended by: Roy Call (Zoom), Judy Wallingford, Gianne Conard, Dan Johnson, Polly Jones, Ryan Gates, Malcolm White, and Ian Stewart

1. Soil Test Results

Soil testing completed by Summit Engineering. Primary results were the findings of 4-6 inches of ash at 12.6 feet in depth as well as pieces of concrete likely to have come from a preexisting slab. Good soil as 13-14 feet. Bedrock at 16-18 feet.

2. Foundation Work Next Steps

Action Items: Provide TC Hafford and Fleming Engineering with soil test results to adjust/amend their proposals and costs for foundation stabilization work. Meet with Randy Scamfer and concrete contractor to determine costs of doing full replacement of the problem section of the foundation.

3. Review Randy Scamfer's Drawing for Foundation Plan -see above

4. Timeline of Work

Meet with Harbor Builders on Monday to discuss the project and determine their ability to manage addition work and possible the foundation repair.

5. Next Meeting Date

Minutes for Board Advancement Committee Wednesday May 19, 2021

1. Discuss Leadership Succession planning in preparation for September Annual meeting. Not addressed last meeting.

The board elects officers at the first regular board meeting following the Annual Meeting.

The committee decided that given the circumstances at this time, there will be two Vice - Presidents at this time. This is to ensure that one of them will ascend to the presidency in 2023.

Gianne Conard will be nominated as one.

2. Brainstorm additional names for the list – Committee members should bring additional names

This was not addressed

3. Continue to order list by "readiness" and degree to which candidates meet criteria.

This was not addressed

4. Reports and discussion from committee members on people they going to contact and information that was to be gathered

Dan - Called Jen Chipman, awaiting call back

Gianne - Called Sadie Lloyd, awaiting callback. Setting up gathering of Belfast area board members to brainstorm about potential people for committees and board.

5. Draft of Student Board Member Application.

Reviewed and amended Student Board Member Application. Dan will retype and send to committee members for final approval.

Non-Agenda Item

Five Board members need to be reelected at the Annual Meeting,; Noble, Rittmaster,

Thanhauser, Urey, and Wallingford

Each will be contacted by a committee member to confirm their willingness to continue on the board.

Action Steps to be taken.

1. Dan

- A. Will call Courtney and Elisabeth to ask them to undertake contacting the north area high schools and overseeing the Student board member process.
- B. Will call Landis and inquire about his willingness to become an officer.
- C. Will call Emily McDevitt to confirm her willingness to join the board and complete the necessary paperwork.
- D. Will place another call to Jen Chipman
- E. Complete and send final draft of Student Application.
- F. Will speak at the board meeting to ask for names of people to approach and explain the Student Board Member position.

2. Judy

A. Will call David Thanhauser and Jane and Rob Merrill

3. Gianne

- A. Will place another call to Sadie Lloyd and call Marion Brown
- B. Will proceed with gathering with Ian's assistance

4. Ian

- A. Will add job description and contact info to Student Application
- B. Will send out Board Candidate list to whole board and ask for comments and suggestions.
- C. Will contact Camden Hills High School about student board candidates.

Executive Committee

May 11, 2021 MINUTES

<u>Present:</u> Judy Wallingford (President), E. Daniel Johnson(Vice President), Malcolm White (Treasurer), Darby Urey (Secretary), Landis Gabel, and Ian Stewart, Executive Director

Organizational

1. Organizational

- Building Committee need to schedule next meeting
 - Foundation repair work about 16 feet down is a layer of ash that is problematic for a stable foundation; will be receiving some expert recommendations on remedying this problem soon.
 - Timeline for building / bidding office; we are up against a strong headwind with respect to builder demand and material costs, including volatility, that may not enable us to receive bids from various contractors, which under normal circumstances would be preferable. Discussed Phi, Cold Mountain, Tom Bresnahan (Country Way?), Harbor Builders, Richard Lane and courting them for interest in the job estimated to be around 1,000 Sq.Ft.

2. Staffing / HR

- Status of hiring for Community Engagement Coordinator will be posted tomorrow, 5/12/21. Hope to have someone in as early as July. Ben is starting on June 7th as Development & Communications Coordinator.
- Anthony Romano (summer intern) and Dillan Mullhern (Pendleton intern) will be starting in June.
- Updating of Personnel Handbook Roy & Judy have been working hard on updating and ensuring compliance with attention to DEI. It's been 10 years since last update.

3. Ad Hoc Work Teams

- DEI update May 26th training
- Public Issues Review Committee (PIRC); tabled in Legislature for now, which puts this issue on hold for PIRC. With LMF bond proposal (\$40M) this is an issue that the newly formed committee could tackle.

4. Development

- Invitation to apply for up to \$50,000 from anonymous family foundation
- Mt. Tuck grant received \$15,000 thanks to Jack's good grant writing
- Conservation Partners party speakers July 29th Colin Woodward would be great. Dave Miramant. Keep coming up with ideas.
- Board Training Discussion Meeting in July include training in fundraising need to consider timing with Board meeting.
- COPE Analysis Bob Demont & Associates (audit of fundraising capacity)

5. <u>Finance</u>

- Annual Audit complete seems like it went well, Polly was a huge help
- HSA correction made. There was an overpayment on the HSA for a couple of employees.
- Need to complete transfer Malcolm
- Campaign transfers

6. Land Protection

- **Board Agenda Item:** Lacombe Transfer – transfer to the State of Maine. It's a 2 acre inholding surrounded by land already owned by the State. State is purchasing for all CMLT costs/staff time.

- Board Advisory: Bald Mountain 30 acres just went on the market within our focus area. Heather will try to start a dialogue. It's pricey at \$295,000. We could harness our Fernald's Neck funds as it's within the watershed.
 - Lincolnville moving forward with land swap with Town
 - Mt Tuck Haas property moving ahead
 - Bloomstein Purchase & Sale Agreement may be a signed P&S today
 - Agnew property some potential for state funding if vernal pools and endagered species are identified.
 - Donaldson property \$20,000 25,000 for 50 acres next to Main Stream Preserve

7. Stewardship

- Round the Mountain Trail under construction again cutting the trail this week.
- Beech Hill Extension project will need approvals from Town of Rockport.
- Snow Bowl permitting process Kuller trail never properly permitted. Also a full site plan review is underway. The Kuller trial imporvements will have ot be on hold until approved by Town.
